

EUPHORBIA

Available in

'FROSTED FLAME'

Euphorbia amygdaloides 'Frosted Flame'

Chartreuse flowers emerge from yellow bracts to top the plants in May and June. In summer and autumn variegated leaves are splashed with irregular cream, grey green and red markings. As temperature cools, the foliage takes on a red glow in the winter carried on to early spring.

Uses & Attributes Front border, ground cover. Low-maintenance.

VARIETY FEATURES

Approx. Height 18"/45cm

Approx. Spread 18"/45cm
